

## Chablis Amphore 2018, Domaine Ternynck

Code

CHAB072

Sourced from a small plot of just 0.2 hectares, Laurent and Marie-Noëlle Ternynck craft an exceptional Chablis that offers a distinctive character, setting it apart from the typical style you might expect. A unique expression of Chablis, both elegant and bold!

## **Tasting Notes:**

This wine has a deep golden hue, offering a complex and layered profile. While it carries familiar Chablis notes of almond and hazelnut, it also reveals deeper, more intriguing flavours of ginger and apricot jam. On the palate, a striking minerality and fine tannins create a beautifully balanced, lingering finish. A unique expression of Chablis, both elegant and bold.

Vinification       The grapes are 100% destemmed and vinified in Tuscan red clay amphorae, where they undergo 12 months of skin contact.
