CACHET WINE

Kingston Estate Cabernet Sauvignon

Code KING045

Kingston wines are one of the best family owned estates in South East Australia, garnering many medals for their cracking wines and this sumptuous, elegant, cassis dominated Cabernet punches well above its weight. A full bodied wine with flavours of blackcurrant, quince, cassis, mint and mild herbaceous characters. It's cool climate characters mould beautifully around the core of sweet fruit. A really top wine.

Tasting Notes:

Deep purple in colour with a ruby hue. On the nose, lifted aromas of blackcurrant, cassis and subtle stewed plum characters, along with a hint of spicy oak. The palate is elegant and full bodied revealing flavours of blackcurrant, quince and cassis fruit, enhanced by hints of mint and capsicum characters. A beautiful complex and smooth oak finish.

Specification	
Vinification	The cool climate of Clare Valley contributes traditional dark fruit flavours and classic herbaceousness. Individual vineyard components were fermented separately in small static fermenters. Ferment temperatures started at 20°C then were allowed to peak at 28 -29°C with pumpovers to aid extraction. The grapes were lightly pressed. Post fermentation, the parcels were matured in American and French Oak to gain flavour, complexity and integration.
