

Mineralium Chenin Blanc

Code

MINE001

This Chenin Blanc is a wonderful, lipsmacking wine, taut and fresh with a super fruit intensity.

Tasting Notes:

Bright and pale yellow in the glass. The nose displays hints of green apple skin, citrus fruit and fresh cut grass. This bone-dry white shows terrific balance, with refreshing acidity and minerality. The limestone mouthfeel is supplemented by juicy grapefruit aromas on the finish.

The winemaking is simple, to enhance the true expression of the varietal. The grapes are harvested early in the morning. They are immediately pressed and oble fermented over fifteen days in stainless steet tanks. The lees contact for three months enhances the mouthfeel and structure. The wine was fined and filtered before bottling.
