Nosiola Trentino Cantina Lavis

Code

CANT195

A unique white grape, Nosiola is native to Trentino and finds its true home on the hillsides of Pressano and the Cembra Valley. In its historic production area on the marl-rich soils of Pressano, Nosiola develops a unique aroma and structure.

Tasting Notes:

Pale yellow in colour with pastel green tints, this wine oozes floral suggestions of rose petals, lychee, and jasmine. With a curious delicate note of hazelnut, it is full and persistent on the palate, with just the right acidity.
