CACHET WINE

# Piou de Yura Jurançon Sec

**Code** PIOU001

Perhaps unknown but certainly not unloved, this is a real Pyrenees wine from South West France with wonderful liveliness and a robust acid line.This is a wine that can be drunk young, but also has storage potential, when the aromas evolve to more complexity with fresh notes of crumple wood, herbs and flint.

**Tasting Notes:**

Fabulous aromas of mango, pineapple, orange peel and quince rustle over the sublime smoky wood character. This wine is ripe and rounded with a lovely salve of acidity and a lengthy mouth-watering finish. Crisp and expressive
