
Prosecco Valdobbiadene DOCG Superiore di Cartizze Brut

Code VILL220

Cartizze is the "Grand Cru" vineyard of Valdobbiadene, renowned for producing some of the finest Prosecco in the world. Traditionally paired with desserts like Panettone, Villa Sandi were the first to revolutionise the style by crafting a more refined version that can be enjoyed with an entire meal. Featured in Decanter magazine's Top Ten Proseccos, this exceptional wine represents the pinnacle of Prosecco craftsmanship.

Tasting Notes:

From Cartizze vineyards, the most premium Prosecco producing area. The bouquet is complex with beautiful fruity and floral aromas with enticing notes of ripe peach. The perlage is exceptionally fine and well-integrated, contributing to the wine's impressive length and development on the palate. A soft, savoury finish with hints of acacia honey, the beautiful balance between bright fruit, minerality, and a touch of sweetness, makes this one of the most refined expressions of Prosecco.
