

CACHET WINE

Sancerre, Domaine Jean Thomas

Code	SANC365
-------------	---------

The small 9ha family run estate of Domaine Thomas lies in the south of the region and has a high proportion of its vineyards on the highly sought-after Silex soil, that makes the most aromatic and pungent crisp Sauvignons that this region is famous for. Hand picked grapes and small bunch pressing give great juice and a clarity and focus of flavour that is the benchmark for this wine.

Tasting Notes:

Crisp, steely and fresh with distinct grassy notes that characterise top notch Sancerre. This wine has a little more depth and character in the mid-palate and a delicious acidity that keeps the wine fresh and interesting to the bottom of the bottle!

CACHET WINE

Specification	
Vinification	All the grapes from this bio-dynamic estate are hand picked by a skilled team who pick only the ripest and most perfect grapes at the optimum lunar time. At the winery, the grapes are sorted again, then whole bunch pressed in small 500kg batches to preserve the quality of the juice, with fermentation in small steel tanks at around 19 degrees using only natural yeasts, followed by ageing in tank and bottling in April following the harvest. There are no chemical adjustments or treatments made.
