WELCOME TO CACHET WINE AGENCIES

Welcome to our collection. Inside you will discover an array of wines, champagnes and ports from renowned chateaux, houses, domains and estates with whom we have worked closely for many years. New for this year are exciting wines from innovative growers including Jordan, Priest Ranch, and Kingston. We have also gone behind the scenes to reveal the passion, personalities and stories which make our great producers unique.

Being part of a long established wine merchant with over 100 years of history means we strive continuously to deal with individual growers who are committed to producing top quality wines which are bottled at source. Our "grape to glass" philosophy is an uncompromising ethos of which we are very proud. It is fundamental to our business values and the core of our existence!

Based in Yorkshire, Cachet Wine is an independent family run agency company operating from our own modern purpose built bonded warehouse. We have a dedicated logistics team serving a wide ranging portfolio of independent customers. Our team have many years' experience in the wine industry and they offer a professional, knowledgeable and friendly service. We specialise in supplying independent wholesalers, retailers and brewers on a duty-paid, in-bond or ex-cellar basis.

Working in partnership with family owned producers ensures we can influence and hand-select many of our wines. This gives us a competitive edge and unique selling point to the independent trade which means you will not find

our wines within the major multiples. Hard work has been recognised by wine critics resulting in many of our wines being award-winning.

All of this is the backbone which enables us to offer great deals on all our products.

We hope you will enjoy these pages....thank you for your continued support; we look forward to working with you not only over the next year but for many years ahead.

WHY CHOOSE US

Quality is at our core. We are meticulous in our sourcing of wines, work closely with our winemakers and maintain a strong preference for domaine bottled stock.

PLOYEZ-JACQUEMART LAURENCE PLOYEZ | LUDES

Ployez-Jacquemart is a family champagne house, founded in 1930 by the husband and wife team of Marcel Ployez and Yvonne Jacquemart. Laurence, third generation of the family, perpetuates the founding values of the house: passion, tradition and dedication. She has committed herself to make the most of each harvest and produce great prestige wines.

CHAMPAGNE GARDET CHRISTOPHE PRIEUX CHIGNY-LES-ROSES

Gardet was established in 1895 by Charles Gardet in Chigny-Les-Roses, in the heart of the Montagne de Reims. It was sold to the Prieux family in 2007. The Prieuxs have invested in the business, but wisely retained the features of the style of wine made over the years, only slightly refining it to be a little more forward-drinking with more fruit freshness and balance. The house owns around 7 ha of premier cru vineyards around their home villages of Chigny-Les-Roses, Luds and Rilly la Montagne. The long tirage time and the use of a high proportion of reserve wine has marked the house style, and in fact is a distinguishing feature of Champagne Gardet.

SOUTH OF FRANCE

AUBERT & MATHIEU CARCASSONNE

Aubert & Mathieu is the story of two friends, Anthony Aubert and Jean-Charles Mathieu, who met in school, chose different paths, but met up again and decided to further their respective passions for wine production. Their exciting new project started with the 2016 vintage, with the first wines being released in March 2019. Already their main market is the trendy Paris restaurant scene.

TERRACES DU LARSAC

Produced with high Mourvèdre content (50%) with the remainder of the blend consisting of 25% Syrah and 25% Grenache, aged in old oak for 12 months. The palate is thick and voluptuous, boasting cassis, eucalyptus and a hint of liquorice all wrapped up in a classic jacket of garrigue. Very 'gourmande'.

LES ARGELIÈRES | MARILYN LASSERRE LANGUEDOC-ROUSSILLON

Marilyn Lasserre is a genuine pioneer. She studied viticulture and oenology in Bordeaux then honed her skills working throughout the wine growing world. Since her return to France in 2008 she has contributed significantly to the renaissance of Languedoc's appeal by bringing her unique touch to traditionally strong, rustic and full-bodied wines. Marilyn has succeeded in improving quality and taste through a rigorous selection in the vineyards followed by personal control of the winemaking process.

Les Argelieres is a tribute to the "terroir" from which we source these wines. It is mostly dressed with pebble and limestone and enjoys perfect exposure to the sun. These aspects enhance the fruit aromas and minerality of the white wines yet in contrast give the reds a vibrant elegant fruit character.

VIIGNIER

Bright yellow with green hues, apricot and mango aromas mixed with a whiff of rose petals and almonds. A juicy palate with herbal hints and a lingering finish.

MONASTIER | ALAIN GRIGNON LANGUEDOC-ROUSSILLON

Alain Grignon has been involved in the production of Languedoc wine for nearly thirty years. Most of the grapes for his red wines come from vineyards near Minervois in the North-East of the Languedoc, whilst the whites are produced in the cooler climate of the Gers. Alain combines the "terroir" of the Languedoc and the Gers regions, with the winemaking style of the Southern Hemisphere. Remaining faithful to the individual characteristics of each varietal he has given wines from Southern France a flavour of the New World.

LE CHARME PHILIPPE LEBRUN | LANGUEDOC & CHRISTINE CABRI | GASCONY

We share the production of our Le Charme range between two winemakers who are specialists in their own region. Whilst this may be a little more difficult in terms of logistics, it is also a demonstration of how our own wines are not just bought off the shelf, but very much crafted to suit our own exacting standards. Christine Cabri has produced our Le Charme Sauvignon since 2008 and it continues to be one of our most popular wines. Winemaking was in her blood.

SAUVIGNON BLANC

A shimmering green tinged colour, with an aromatic and fresh bouquet. On the palate there are flavours of citrus fruit combined with blackcurrant leaf aromas and great roundness.

DOMAINE PIERRE CROS | MINERVOIS

Domaine Pierre Cros is based in Badens, situated in the Minervois, surrounded by the Canal du Midi to the South and the Montagne Noire to the North. It is here in the intense heat of the southern sun that little else grows except vines and olive trees. And it is here that Pierre Cros, an ex Rugby player, cultivates his 20 hectares of vines including the classic Southern French varieties of Grenache, Carignan and Syrah. However, he is something of a maverick and a thorn in the side of the AOC authorities, as most unusually, he grows the non-permitted grape varieties of Nebbiolo (Italy), Touriga Nacional (Portugal) and Pinot Noir (Burgundy). Low yield and vines dating from 1905 contribute to the production of some extremely fascinating and popular wines which are deep and structured and very enjoyable.

LES MAL AIMÉS

Dark ruby red. This is an original wine with aromas of red fruit, garrigue, spices and hints of smoke. It is pleasantly silky and fresh on the palate. A brilliant accompaniment to fatty fish dishes made with spicy, red wine sauces.

LOIRE & RHÔNE VALLEY

DOMAINE BAILLY JACQUES & MARIE-HÉLÈNE BAILLY SANCERRE

Dynamic Jacques Bailly, heir to a winemaking tradition dating back to the 1700s, and wife Marie-Hélène, cultivate an array of coveted vineyards around Bué in the heart of the eastern Loire appellation of Sancerre. In 2007 they were joined by their daughter Sonia, ensuring the continuity of this superb domaine. The style is fresh and grapey with a steely edge and a fine minerality. The cross of Saint Ursin, erected in 1877, is situated on the property and lends its name to the domaine's full title.

ROSÉ LA LOUÉE

Made from 100% Pinot Noir, the La Louée Sancerre rose exhibits bright red berry and floral aromas and flavors, with strong mineral undertones. It is crisp and fresh, with fine mineral complexity and fleshy fruit on the midpalate, which drive the long, focused finish.

100% Pinot Noir

ROUGE

DOMAINE DU VIEUX TÉLÉGRAPHE, FRÉDÉRIC & DANIEL BRUNIER | CHÂTEAUNEUF-DU-PAPE & DOMAINE BRUNIER - VENTOUX

The Brunier family have developed a wonderful portfolio of magnificent domaines including Domaine du Vieux Télégraphe one of the great estates of Châteauneuf-du-Pape. The Domaine has about 45 hectares of vines planted, with an average age of around 55 years. Blessed with one of the finest locations in the area, the particularly hot microclimate is such that the Brunier Family, owners of this domaine for almost a century, are able to harvest as much as a week ahead of their neighbours. When the Brunier family purchased the domaine back in 1998 this great property had fallen on hard times. Years of painstaking work in the vineyards followed. Terraces were built and reinforced, allowing for better water retention. A new winery was built to receive the harvested parcels individually in gravity-fed tanks. Finally as the Bruniers began to fully understand the vineyards at Pallières the many lieux-dits, once blended into one cuvée of Gigondas, were separated into two, starting with the 2007 vintage.

VIEUX TÉLÉGRAPHE CHÂTEAUNEUF-DU-PAPE

BURGUNDY

DOMAINE TESTUT | CYRIL TESTUT | CHABLIS

We have worked closely with Cyril Testut for many years now. Quiet, considered and deeply passionate about his 13ha domaine, he is the proprietor of one of the real jewels of the Chablis region that sits in the top echelons of the Chablis hierarchy. His Chablis vineyards are perfectly situated - squeezed between the Grand Cru of Blanchot and the 1er Cru of Montée de Tonnerre. It is arguably the finest Chablis AC vineyard in the region. The small parcel of the famous Grand Cru Grenouilles returned to the Testut family only a few years ago. Back in 1970's the vineyards were leased, due to internal family squabbles, and were held by William Fèvre for 30 years. It is now back in the hands of one of Chablis' finest domaines.

CHABLIS GRAND CRU "GRENOUILLE"

A relatively discreet touch of wood frames a ripe and ever-so-mildly exotic nose of mostly dried yellow fruit. There is a seductive, even succulent mouth feel to the caressing medium weight flavours, exuding a fine bead of minerality on the attractively intense, balanced and lingering finish.

100% Chardonnay

CHABLIS 1ER CRU MONTÉE DE TONNERRE

A smoky, elegant and beautifully layered nose exhibits white flower, citrus, pear and a top note of mineral reduction. The tension-filled medium-bodied flavours are at once sleekly, powerful and refined before leading into in a textured, intense and impressively persistent finish.

100% Chardonnay

CHABLIS

A complex wine with excellent mineral structure allowing it to retain its typical dry mineral and white fruit aromas for a number of years.

100% Chardonnay

DOMAINE OLIVIER MERLIN

OLIVIER & CORINNE MERLIN

MÂCON

Domaine Olivier Merlin is owned by Corinne and Olivier Merlin, who settled in the Mâcon area in 1987. Today it extends over more than 15 hectares in the Mâconnais region and in the Moulin à Vent appellation, with 10.5 hectares owned and another 4.5 hectares worked under a tenancy agreement. Aware of the importance of ensuring a smooth succession on the domaine, they are delighted to announce that their two sons have now joined the family business. Winemakers, Paul and Théo Merlin, will be producing their first vintage on the Domaine in 2018. In January 1987, Corinne and Olivier Merlin decided to settle in the Mâcon area and they took over an old wine domaine in La Roche Vineuse, "This is where we decided to live and work, not due to a family inheritance, but because we like it here", says the couple.

MÂCON LA ROCHE-VINEUSE BLANC

A lovely tropical melon bouquet, the palate is brimming with apple fruits and a delicious quenching acidity that gives perfect balance.

100% Chardonnay

MOULIN-À-VENT 'LA ROCHELLE'

A deeply and intensely coloured wine. Attractive aromatic expression of spices (pepper) and well-ripened cherry. In the mouth, highly concentrated with well-marked but velvety tannins. Attractive aromatic expression of spices and well-ripened cherry.

100% Gamay

MÂCON LA ROCHE-VINEUSE BLANC VIEILLES VIGNES

What an exotic and tropical bouquet! The palate is multi-layered with rich and creamy ripe apple fruits, fresh melon, notes of almond and spice, with a beautiful minerality and a dash of lime acidity. This is so Côte d'Or in style.

100% Chardonnay

BOURGOGNE PINOT NOIR

Pure, cherry filled with soft succulent tannins, a hint of toasted oak and spice. Beautifully crafted with a long length of black fruits.

100% Chardonnay

DOMAINE SERAFIN | FRÉDÉRIQUE GOULLEY GEVREY-CHAMBERTIN

Frédérique Goulley, the niece of Christian Sérafin, is now in sole charge of the winemaking at this top domaine, after serving her apprenticeship under Christian Sérafin for ten years. The wine making philosophy remains the same and this continues to be one of the finest domaines of the appellation. The wines are hand crafted, with old vines and low yields central to the winemaking here.

A cool ten-day maceration helps create a stunning richness and concentration with the diligent use of new oak and the non-filtration of his wines being key to the Sérafin style. They continue to destem around 70% of the bunches. The grapes are fermented at a relatively high temperature and enjoy up to 100% new oak ageing.

BOURGOGNE ROUGE

Vinified in 100% new oak - "A little Gevrey". Fresh and pretty - a very good introduction to this top domaine. The palate is tight and intense with good grip and expressive Pinot Noir characteristics.

100% Pinot Noir

CHAMBOLLE MUSIGNY 1ER CRU LES BAUDES

This appellation is presented as the most feminine of the Côte de Nuits. A wine representative of its appellation, it is highly aromatic with small red fruits (strawberry, cherry, raspberry).

Its delicateness of body does not prevent it maintaining a solid and durable structure. Its tannins remain soft and suave.

100% Pinot Noir

GEVREY-CHAMBERTIN

Fermented in 100% new oak and aged for 18 months. Finely constructed, hedgerow fruits showing very well, supported by fine elegant tannins and a well defined structure.

100% Pinot Noir

DOMAINE MACHARD DE GRAMONT

ARNAUD MACHARD DE GRAMONT

PRISSEY, NUITS-ST-GEORGES

This 20 hectare family estate is managed by Arnaud Machard de Gramont and his two sons Alban and Alexis. The cellars are located in Prissey, a neighbouring hamlet of Nuits-St-Georges. These cellars were built in the XIXth century. Their superb vaults give a “cathedral” effect to the winery. The 20 hectares of vineyards cover an impressive range of appellations spanning 50 kilometres, from Chenôve (south of Dijon) to Puligny-Montrachet of Beaune. This domaine is a great source of Burgundy at sensible prices. “Value for money” is not something that is often associated with the wines of the Côte d’Or, however, we have dealt with this family domaine for many years for our commercial Burgundy needs – it offers more individuality than most négociants and consistently performs well.

PULIGNY-MONTRACHET 'LES HOUILLÈRES'

Produced from a 2/3 ha plot purchased a number of years ago from Louis Chavy. Zingy, ripe and vibrant, rich and creamy on the palate with pineapple and grapefruit blending superbly.

100% Chardonnay

CHOREY-LES-BEAUNE 'BEAUMONTS'

Produced from vineyards to the west of the village of Chorey, this wine is aged in older barrels, with an emphasis on the cherry fruits that this super little appellation is renowned for.

100% Pinot Noir

DOMAINE GUY AMIOT | THIERRY & FABRICE AMIOT CHASSAGNE-MONTRACHET

Domaine Guy Amiot's work springs from a long tradition begun in the 1920's under the direction of founder Arsène Amiot. Arsène started acquiring parcels in Chassagne in the 1920's and under his direction Domaine Amiot became one of the first domaines in Burgundy to bottle their own wines. By the time Guy Amiot took over in 1985, the domaine had built up very impressive holdings and had passed the knowledge of how to best care for the vines down from generation to generation. Their work in the vineyards is exemplary and has led to a solid consistency in the wines. Guy's sons Thierry and Fabrice are now running the domaine and are taking it to the very top level. The wines of this domaine age particularly well, largely due to the serious acidity and minerality that so epitomise them when tasting from barrel.

CHASSAGNE-MONTRACHET VIEILLES VIGNES

There is plenty of weight to this wine which displays the attractive flesh of the year with a little lemony acidity. All is in balance; this is an attractive, harmonious Chassagne.

100% Chardonnay

LE MONTRACHET GRAND CRU

A meagre production of only 2 barrels! Aged in 100% new oak for 12 months followed by 6 months in cuve. An impressive beast of a wine. Intensely aromatic with pineapple and grapefruit characters, enormous steel structure, tight and unyielding with fine citrus acidity giving beautiful balance to a very impressive richness.

100% Chardonnay

DOMAINE HUBERT LAMY

OLIVIER LAMY

SAINT-AUBIN

Created back in 1973 by Hubert Lamy, this domaine has been run by his son, Olivier, since 1996 following his training at Domaine Meo Camuzet. He immediately introduced the changes that have ultimately elevated this domaine into the higher echelons of Burgundian winemaking. He ceased selling grapes to négociants and sold off peripheral vineyards to concentrate on the oldest and best sites. High density planting was introduced to glean as much expression of terroir as possible and selection tables were introduced into the cuverie to ensure that only the finest grapes are used. His more recent move to reduce the amount of new oak and the introduction of demi-muids (300-600lt barrels) has also helped to improve the wines at this domaine and resulted in a greater propensity to age. Olivier adapts his winemaking to the vintage.

BOURGOGNE BLANC 'LES CHATAIGNERS'

A full and rounded wine, the palate offers a hint of minerality, a little spice, and soft finish. Produced from a vineyard that lies on the upper slopes as the hill bends around toward Meursault and away from St Aubin itself. This wine is matured in used 600 ltr oak barrels (2/3 1 year and 1/3 2 year) to lessen the effects of new oak.

100% Chardonnay

SAINT-AUBIN 1ER CRU 'EN REMILLY'

This big and powerful wine is founded on a tightly knit structure, rich, deep honey fruits with nut overtones and a stunning citrus balance. The St. Aubin En Remilly is wonderfully complete. Beams of vibrant minerality and acidity provide support for layers of open, resonant fruit. The En Remilly is utterly vivid and kaleidoscopic in the glass, with superb nuance and transparency.

100% Chardonnay

SAINT-AUBIN 1ER CRU 'CLOS DU MEIX'

The wine is a lemon gold colour, full of sprightly lemon, orange and apricot flavours, shaped by some lively acidity and a tiny touch of nutty oak amidst the fruit.

100% Chardonnay

DOMAINE ROGER LUQUET | PATRICK LUQUET FUISSE

We have worked with Patrick Luquet for many years now. His 26 ha family domaine is situated in the centre of the village of Fuissey. The domaine's flagship vineyard is the 'Au Bourg' located right in front of the Church, in the centre of the village. Patrick uses no oak ageing at all in the winemaking process whatsoever, producing wines that express both fruit and terroir with no interfering dimensions. As Patrick says "We really appreciate our terroir". Renowned for their purity his wines are beautiful from an early age.

POUILLY FUISSE AU BOURG

Produced from vines that are at least 56 years old, situated in the Clos just in front of the Church in the centre of the village of Fuissey. This vineyard was initially planted back in 1927 by the Great Grandfather of the current generation, Maurice Luquet. A very intense, rich wine, 'gourmand', but finely structured with a 'zip' acidity.

100% Chardonnay

CREMANT DE BOURGOGNE

Made using 100% Chardonnay to give finesse and elegance. Dry, but full-bodied, rich, fruity and supple.

100% Chardonnay

ST VERAN VERS LES MONTS

BORDEAUX

MAISON SICHEL

From our everyday drinking Château Moulin de Mallet and Château d'Argadens, through to the famous Château Angludet and Château Palmer, Sichel is a superb source of great Claret.

CHÂTEAU ANGLUDET

A perfect balance between fruit, structure and tannins. Beautifully dark, almost opaque with a stunning ripe and intense bouquet. LEVRIER WINES | JOANNE IRVINE

BAROSSA AND EDEN VALLEY

Joanne's career began from a very early age. Her father, James Irvine is known as the "Master Merlot Maker" and from the age of seven she followed him around the winery, undertaking the ritual tasting of ferments and wine blending.

Whilst studying winemaking at university Joanne worked six vintages both in the Barossa Valley and California, USA. On graduating she worked both for her father, and establishing a successful wine consulting business. Finally in 2017 her dream came true with the release of "Lévrier by Jo Irvine". Lévrier, a French word meaning greyhound, combines her love of winemaking and her love for greyhounds.

The first wine release was in October 2017 with the Lévrier Meslier Sparkling Rosé – to our knowledge the only sparkling rose Meslier in the world.

AVONDALE | JOHNATHAN GRIEVE | PAARL

The picturesque 160-hectare farm that is today known as Avondale has been under cultivation for more than 300 years. Early records show that the land was one of the first in the Paarl Valley to be allocated specifically for the production of wine grapes. Avondale is now home to the Grieve Family and 25 farm worker families. Johnathan Grieve has developed a holistic approach to wine farming known as Biologic, which combines biodynamic and organic principles with modern science, and constantly asking the question; "Would Mother Nature approve?" "Terre Est Vita" is his ethos, which means 'soil is life'. Simple methods are used, such as using a posse of ducks to eat the snails that target the vines – AKA Snail Assassins! Wasps are released to prey on the mealy bug. Chemicals and fertilizers are shunned and cover crops are grown to restore the nitrogen levels in the soil. Quirky? Yes – Great wines? Undoubtedly!

LAS MANITOS | LUIS-PHILLIPE EDWARDS CENTRAL VALLEY

The history of Viña Luis Felipe Edwards (LFE) dates back to 1976, when Luis Felipe Edwards Sr. purchased the Fundo San José de Puquillay estate, located in the Colchagua Valley, a premier viticultural region in Chile. The estate sits nestled in a secluded horseshoe-shaped valley, separated from the majestic snow-capped Andes by the smaller San Fernando ridge. At that time, it was planted with 60 hectares of vines dating back from the beginning of the 20th century, consisting mainly of Cabernet Sauvignon, Malbec, Carmenere and Merlot. In the early Nineties, Luis Felipe Sr. decided to make wine under his own name and so built a modern winery equipped with the latest state of the art technology. The first vintage, Luis Felipe Edwards Cabernet Sauvignon 1994, was launched on the international market in late 1995 and is still drinking well to this day, a testament to the level of quality of LFE wines since day one.

LONGBOARD | CALIFORNIA

Longboard was born from the passion of Oded Shakked, surfer first, winemaker later, who brings a unique perspective to winemaking, or rather winegrowing as he prefers to call it. Thus, they extend the notion of "terroir" to include the human aspect, not just the soils, climate and weather.
