WELCOME TO CACHET WINE AGENCIES

Welcome to our collection. Inside you will discover an array of wines, champagnes and ports from renowned chateaux, houses, domains and estates with whom we have worked closely for many years. New for this year are exciting wines from Languedoc including Coquille de Terre Vieilles Vignes Carignan and Mineralium Chenin. We have also gone behind the scenes to reveal the passion, personalities and stories which make our great producers unique.

Being part of a long established wine merchant with over 100 years of history means we strive continuously to deal with individual growers who are committed to producing top quality wines which are bottled at source. Our "grape to glass" philosophy is an uncompromising ethos of which we are very proud. It is fundamental to our business values and the core of our existence!

Based in Yorkshire, Cachet Wine is an independent family run agency company operating from our own modern purpose built bonded warehouse. We have a dedicated logistics team serving a wide ranging portfolio of independent customers. Our team have many years' experience in the wine industry and they offer a professional, knowledgeable and friendly service. We specialise in supplying independent wholesalers, retailers and brewers on a duty-paid, in-bond or ex-cellar basis.

Working in partnership with family owned producers ensures we can influence and hand-select many of our wines. This gives us a competitive edge and unique selling point to the independent trade which means you will not find

our wines within the major multiples. Hard work has been recognised by wine critics resulting in many of our wines being award-winning.

All of this is the backbone which enables us to offer great deals on all our products.

We hope you will enjoy these pages...thank you for your continued support; we look forward to working with you not only over the next year but for many years ahead.

WHY CHOOSE US

Quality is at our core. We are meticulous in our sourcing of wines, work closely with our winemakers and maintain a strong preference for domaine bottled stock.

We seek to preserve the quality and individualism of our products and for that reason we ensure that our wines are not sold through multiple retailers.

We pride ourselves on delivering exceptional levels of customer service, and always strive to support our customers.

Yours sincerely

Laurence, third generation of the family, perpetuates the founding values of the house: passion, tradition and dedication. She has committed herself to make the most of each harvest and produce great prestige wines.

CHAMPAGNE GARDET CHRISTOPHE PRIEUX CHIGNY-LES-ROSES

Gardet was established in 1895 by Charles Gardet in Chigny-Les-Roses, in the heart of the Montagne de Reims. It was sold to the Prieux family in 2007. The Prieuxs have invested in the business, but wisely retained the features of the style of wine made over the years, only slightly refining it to be a little more forward-drinking with more fruit freshness and balance. The house owns around 7 ha of premier cru vineyards around their home villages of Chigny-Les-Roses, Luds and Rilly la Montagne. The long tirage time and the use of a high proportion of reserve wine has marked the house style, and in fact is a distinguishing feature of Champagne Gardet.

LES ARGELIÈRES | MARILYN LASSERRE LANGUEDOC-ROUSSILLON

Marilyn Lasserre is a genuine pioneer. She studied viticulture and oenology in Bordeaux then honed her skills working throughout the wine growing world. Since her return to France in 2008 she has contributed significantly to the renaissance of Languedoc's appeal by bringing her unique touch to traditionally strong, rustic and full-bodied wines. Marilyn has succeeded in improving quality and taste through a rigorous selection in the vineyards followed by personal control of the winemaking process.

Les Argelieres is a tribute to the "terroir" from which we source these wines. It is mostly dressed with pebble and limestone and enjoys perfect exposure to the sun. These aspects enhance the fruit aromas and minerality of the white wines yet in contrast give the reds a vibrant elegant fruit character.

LE CHARME PHILIPPE LEBRUN | LANGUEDOC & CHRISTINE CABRI | GASCONY

We share the production of our Le Charme range between two winemakers who are specialists in their own region. Whilst this may be a little more difficult in terms of logistics, it is also a demonstration of how our own wines are not just bought off the shelf, but very much crafted to suit our own exacting standards. MONASTIER | ALAIN GRIGNON LANGUEDOC-ROUSSILLON

Alain Grignon has been involved in the production of Languedoc wine for nearly thirty years. Most of the grapes for his red wines come from vineyards near Minervois in the North-East of the Languedoc, whilst the whites are produced in the cooler climate of the Gers. Alain combines the "terroir" of the Languedoc and the Gers regions, with the winemaking style of the Southern Hemisphere. Remaining faithful to the individual characteristics of each varietal he has given wines from Southern France a flavour of the New World.

DOMAINE PIERRE CROS | MINERVOIS

Domaine Pierre Cros is based in Badens, situated in the Minervois, surrounded by the Canal du Midi to the South and the Montagne Noire to the North. It is here in the intense heat of the southern sun that little else grows except vines and olive trees. And it is here that Pierre Cros, an ex Rugby player, cultivates his 20 hectares of vines including the classic Southern French varieties of Grenache, Carignan and Syrah. However, he is something of a maverick and a thorn in the side of the AOC authorities, as most unusually, he grows the non-permitted grape varieties of Nebbiolo (Italy), Touriga Nacional (Portugal) and Pinot Noir (Burgundy). Low yield and vines dating from 1905 contribute to the production of some extremely fascinating and popular wines which are deep and structured and very enjoyable.

LES MAL AIMÉS

Dark ruby red. This is an original wine with aromas of red fruit, garrigue, spices and hints of smoke. It is pleasantly silky and fresh on the palate. A brilliant accompaniment to fatty fish dishes made with spicy, red wine sauces.

A blend of Aramon, Alicante, Piquepoul & Carignan

PLAIMONT GASCONY

Situated in the heart of South-West France, the Plaimont vineyards stretch from the foothills of the Pyrenees to the hills and valleys of Gascony covering a uniquely rich terroir. A thousand winegrowers defend the ideals of a cooperative and are committed to managing their vineyards with respect for both the environment and their own time-honoured traditions. With a combination of local grape varieties, knowledge and rigorous hard work, the members of Plaimont have succeeded in producing extremely high quality wines from the terroirs of Madiran, Pacherenc du Vic-Bilh, Saint Mont and Côtes de Gascogne.

LE FAÎTE BLANC

Initially pale in colour and tinged with green, but with age moving towards a more golden, slightly silvery hue. A rich, crisp attack with an explosion of citrus fruit, litchi and gunflint on the nose.

Its youthful aromatic exuberance (tropical fruit) gives way to a greater complexity of mineral notes with a noble touch of undergrowth.

Gros Manseng , Petit Courbu , Petit Manseng blend

LE FAÎTE ROUGE

The red Le Faîte (from Tannat, Cabernet Sauvignon and Pinenc grapes) is produced from several of the best terroirs in the Aignan, Plaisance, and Saint Mont. They comprise limestone and variegated clay soils, and fawn-coloured sand.

The wine is well structured, and develops an aromatic complexity of black fruit (blackberry, blackcurrant) and liqueur, underlined by subtly toasted notes.

Tannat, Cabernet Sauvignon and Pinenc grape blend.

MADIRAN PLÉNITUDE 2014

Deep purple in appearance. A rich and complex nose where the aromas of blackcurrant and blackberry combine harmoniously with the aromas of dry fig, and soft spices.

Flavours of clove, tobacco and leather combine with prune and black cherry. An elegant and complex wine with a long warm finish.

Tannat, Cabernet Sauvignon & Cabernet Franc Blend

PACHERENC DU VIC BILH COLLECTION 50CL

The golden colour and sparkling tints of this wine give us a clue as to its rich, complex nose of preserved fruit (lemon peel), peach jam and white pepper.

A rich yet suave palate develops around an acidic framework – the telltale sign of the best Pacherencs.

DOMAINE BARCELO | ILE DE BEAUTE | CORSICA

Located in the town of Aghione, on the east coast of the island of Corsica, the Barcelo estate is located between the sea and the mountains. The warm days, and cool nights combined with the Clay soil provide the perfect conditions for growing grapes – particularly the indigenous varieties Biancu Gentile & Niellucciu.

The vines are 15 years old, and produce 80 Hl/Ha. Grapes are hand harvested at night to preserve the freshness and prevent oxidation.

ILE DE BEAUTÉ BLANC

Light yellow with greenish hues. A fine, expressive, complex nose, with aromas of citrus and white flowers. The palate is at first fresh and sumptuous, ending with a pleasant fruity acidity. Serve as an aperitif or with seafood and grilled fish.

Dynamic Jacques Bailly, heir to a winemaking tradition dating back to the 1700s, and wife Marie-Hélène, cultivate an array of coveted vineyards around Bué in the heart of the eastern Loire appellation of Sancerre. In 2007 they were joined by their daughter Sonia, ensuring the continuity of this superb domaine. The style is fresh and grapey with a steely edge and a fine minerality. The cross of Saint Ursin, erected in 1877, is situated on the property and lends its name to the domaine's full title.

The small 9ha family run estate of Domaine Thomas lies in the south of the region and has a high proportion of its vineyards on the highly sought-after Silex soil, that makes the most aromatic and pungent crisp Sauvignons that this region is famous for. Hand picked grapes and small bunch pressing give great juice and a clarity and focus of flavour that is the benchmark for this wine.

SANCERRE

Crisp, steely and fresh with distinct grassy notes that are characteristics of a top notch Sancerre. This wine has a little more depth and character in the mid-palate and a delicious acidity that keeps the wine fresh and interesting to the bottom of the bottle!

DOMAINE LAURENT COMBIER | RHÔNE VALLEY

The Combiar family first moved from the Ardèche to the Rhône in 1936 when Camille Combiar bought three hectares of vines in the Crozes-Hermitage appellation, and sold his wine to the Tain l'Hermitage co-operative. The domaine is now run by Laurent Combiar, a very practical, open minded winemaker, who produces a lush, exuberant and rich style of wine. He believes that in order to make a great wine, he must allow nature to dictate his work in the vineyards, and bases his decisions on the soils, the living organisms and the lunar calendar. His 13 hectares of vineyards, situated on the 'Les Chassis' plateau are farmed organically. The modern winery, built in 1990, is situated between Tain l'Hermitage and Pont de l'Isère. If you love pure, unadulterated, concentrated Syrah, look no further!

CHÂTEAU DE PARNAY | LOIRE VALLEY

Mathias Levron and Régis Vincenot took over Château De Parnay in December 2006. As soon as they moved in, they were able to make use of the experience gained at Château Princé, putting in substantial work both at the vineyard level (increase of the leaf area, trellising, control of yields, etc.) and at the winery level. They wanted to restore Château de Parnay to its former glory, inspired by their illustrious predecessor: Antoine Cristal. The property — located in the Saumur Champigny wine appellation — now covers 35 hectares. The vineyard consists of four plots of land, all located on exceptional clay-limestone soil. The first three plots are located in an area commonly known as la côte, an area straddling the communes of Parnay and Souzay-Champigny. This terroir takes its nickname from the closeness of the Loire (about 200 meters) which it overlooks from the top of its white stone cliff. The fourth plot is located on the heights of Dampierre-sur-Loire, in an area known for its early ripening: the Butte de la Folie. This terroir, made exceptional by its exposure, offers an impressive view of the vineyards and the Loire.

SAUMUR BLANC CHEMIN DES MURS

The palate is crisp, with a sharpness that is both utterly delicious and also poised to develop more, all balanced by subtle oak- notes of grapefruit, lemon balm, citrus, peach and apple.

100% Chenin Blanc

CHÂTEAU PRINCE | LOIRE VALLEY

Château Princé, certified organic since 2015 by Ecocert, is a benchmark of the AOC Coteaux De L'Aubance, Anjou Villages Brissac and Anjou Blanc. Régis Vincenot's first acquisition in 2002, this estate is located at the gates of the Angers capital, in the town of Saint-Melaine-sur-Aubance. The property's vines form an exceptional islet on a shale hill overlooking the Aubance River. The top of the hill presents soils where slate dominates. These "hot" lands are planted in chenin to create dry or sweet white wines with a strong personality. Cabernet Franc, a more water-hungry grape, is planted on the slopes allowing optimal maturity for the production of dense and deep reds.

ANJOU VILLAGE BRISSAC ROUGE

The nose is redolent of baked black fruits, soft and lush tannins from the extra years ageing. Notes of menthol, herbs and some coffee present, but the over-riding impression is of ripe black fruit, a touch of jamminess and lovely minerality.

100% Cabernet Franc

ANJOU LES ARDOISIERES BLANC

Nose of peach, baked apple and fresh grapefruit, with rich mineral overtones. The palate is dry, complex and quite intense, showing citrus white fruits, lime leaf, slatey, mineral-like notes and a burst of peach. The finish goes on and on.

DOMAINE DU VIEUX TÉLÉGRAPHE, FRÉDÉRIC & DANIEL BRUNIER | CHÂTEAUNEUF-DU-PAPE & DOMAINE BRUNIER | VENTOUX

The Brunier family have developed a wonderful portfolio of magnificent domaines including Domaine du Vieux Télégraphe one of the great estates of Châteauneuf-du-Pape. The Domaine has about 45 hectares of vines planted, with an average age of around 55 years. Blessed with one of the finest locations in the area, the particularly hot microclimate is such that the Brunier Family, owners of this domaine for almost a century, are able to harvest as much as a week ahead of their neighbours. When the Brunier family purchased the domaine back in 1998 this great property had fallen on hard times. Years of painstaking work in the vineyards followed. Terraces were built and reinforced, allowing for better water retention. A new winery was built to receive the harvested parcels individually in gravity-fed tanks. Finally as the Bruniers began to fully understand the vineyards at Pallières the many lieux-dits, once blended into one cuvée of Gigondas, were separated into two, starting with the 2007 vintage.

MÂCON | BEAUJOLAIS

Domaine Olivier Merlin is owned by Corinne and Olivier Merlin, who settled in the Mâcon area in 1987. Today it extends over more than 15 hectares in the Mâconnais region and in the Moulin à Vent appellation, with 10.5 hectares owned and another 4.5 hectares worked under a tenancy agreement. Aware of the importance of ensuring a smooth succession on the domaine, they are delighted to announce that their two sons have now joined the family business. Winemakers, Paul and Théo Merlin, will be producing their first vintage on the Domaine in 2018. In January 1987, Corinne and Olivier Merlin decided to settle in the Mâcon area and they took over an old wine domaine in La Roche Vineuse, "This is where we decided to live and work, not due to a family inheritance, but because we like it here", says the couple.

CAVE DE BUXY | BURGUNDY

Established in 1931, the Caves de Vignerons de Buxy is based in the Côte Chalonnaise, 46km south of Beaune. The vineyards are managed by 120 families who are rewarded for the quality of their grapes rather than the quantity that they produce. Strict viticultural guidelines are followed with a programme of continual vineyard assessments. It is very rare that one can equate Burgundy with affordability as well as quality; however this top Cave Co-operative can certainly lay this claim.

BOURGOGNE CÔTES CHALONNAISE CHARDONNAY, BUISSONNIER

A very fine and attractive Chardonnay produced from a blend of vineyard parcels scattered across the Côtes and around Buxy itself, offering subtle, creamy notes of cereal, peach, apple skin and a touch of wet stones.

DOMAINE SERAFIN FRÉDÉRIQUE GOULLEY GEVREY-CHAMBERTIN | BURGUNDY

Frédérique Goulley, the niece of Christian Sérafin, is now in sole charge of the winemaking at this top domaine, after serving her apprenticeship under Christian Sérafin for ten years. The wine making philosophy remains the same and this continues to be one of the finest domaines of the appellation. The wines are hand crafted, with old vines and low yields central to the winemaking here.

A cool ten-day maceration helps create a stunning richness and concentration with the diligent use of new oak and the non-filtration of his wines being key to the Sérafin style. They continue to destem around 70% of the bunches. The grapes are fermented at a relatively high temperature and enjoy up to 100% new oak ageing.

BOURGOGNE ROUGE

Vinified in 100% new oak - "A little Gevrey". Fresh and pretty - a very good introduction to this top domaine. The palate is tight and intense with good grip and expressive Pinot Noir characteristics.

CHAMBOLLE MUSIGNY 1ER CRU LES BAUDES

This appellation is presented as the most feminine of the Côte de Nuits. A wine representative of its appellation, it is highly aromatic with small red fruits (strawberry, cherry, raspberry).

Its delicateness of body does not prevent it maintaining a solid and durable structure. Its tannins remain soft and suave.

GEVREY-CHAMBERTIN

Fermented in 100% new oak and aged for 18 months. Finely constructed, hedgerow fruits showing very well, supported by fine elegant tannins and a well defined structure.

DOMAINE MACHARD DE GRAMONT

ARNAUD MACHARD DE GRAMONT

PRISSEY | NUITS-ST-GEORGES | BURGUNDY

This 20 hectare family estate is managed by Arnaud Machard de Gramont and his two sons Alban and Alexis. The cellars are located in Prissey, a neighbouring hamlet of Nuits-St-Georges. These cellars were built in the XIXth century. Their superb vaults give a “cathedral” effect to the winery. The 20 hectares of vineyards cover an impressive range of appellations spanning 50 kilometres, from Chenôve (south of Dijon) to Puligny-Montrachet of Beaune. This domaine is a great source of Burgundy at sensible prices. “Value for money” is not something that is often associated with the wines of the Côte d’Or, however, we have dealt with this family domaine for many years for our commercial Burgundy needs – it offers more individuality than most négociants and consistently performs well.

GEVREY-CHAMBERTIN 'PRESSONNIER'

The tannins are ripe and fulsome, the fruit lush, sweet-edged and textured with a lovely atypical 'meaty' finish atop the cherry and roasted plum fruit. Nice lick of pepper compliments the long even finish.

100% Pinot Noir

NUITS-SAINT-GEORGES 'EN LA PERRIÈRE NOBLOT'

A beautiful, rich and ripe wine, lush and finely textured with voluptuous black fruits. A touch of caramel on the finish is so soothing.

PULIGNY-MONTRACHET 'LES HOUILLÈRES'

CHOREY-LES-BEAUNE 'BEAUMONTS'

DOMAINE GUY AMIOT | THIERRY & FABRICE AMIOT CHASSAGNE-MONTRACHET | BURGUNDY

Domaine Guy Amiot's work springs from a long tradition beginning in the 1920's under the direction of founder Arsène Amiot. Arsène started acquiring parcels in Chassagne in the 1920's and under his direction Domaine Amiot became one of the first domaines in Burgundy to bottle their own wines. By the time Guy Amiot took over in 1985, the domaine had built up very impressive holdings and had passed the knowledge of how to best care for the vines down from generation to generation. Their work in the vineyards is exemplary and has led to a solid consistency in the wines. Guy's sons Thierry and Fabrice are now running the domaine and are taking it to the very top level. The wines of this domaine age particularly well, largely due to the serious acidity and minerality that epitomise them when tasting from barrel.

CHASSAGNE-MONTRACHET VIEILLES VIGNES

There is plenty of weight to this wine which displays the attractive flesh of the year with a little lemony acidity. All is in balance; this is an attractive, harmonious Chassagne.

100% Chardonnay

LE MONTRACHET GRAND CRU

A meagre production of only 2 barrels! Aged in 100% new oak for 12 months followed by 6 months in cuve. An impressive beast of a wine. Intensely aromatic with pineapple and grapefruit characters, enormous steel structure, tight and unyielding with fine citrus acidity giving beautiful balance to a very impressive richness.

100% Chardonnay

DOMAINE HUBERT LAMY OLIVIER LAMY | SAINT-AUBIN BURGUNDY

Created back in 1973 by Hubert Lamy, this domaine has been run by his son, Olivier, since 1996 following his training at Domaine Meo Camuzet. He immediately introduced the changes that have ultimately elevated this domaine into the higher echelons of Burgundian winemaking. He ceased selling grapes to négociants and sold off peripheral vineyards to concentrate on the oldest and best sites. High density planting was introduced to glean as much expression of terroir as possible and selection tables were introduced into the cuverie to ensure that only the finest grapes are used. His more recent move to reduce the amount of new oak and the introduction of demi-muids (300-600lt barrels) has also helped to improve the wines at this domaine and resulted in a greater propensity to age. Olivier adapts his winemaking to the vintage.

BOURGOGNE BLANC 'LES CHATAIGNERS'

A full and rounded wine, the palate offers a hint of minerality, a little spice, and soft finish. Produced from a vineyard that lies on the upper slopes as the hill bends around toward Meursault and away from St Aubin itself. This wine is matured in used 600 ltr oak barrels (2/3 1 year and 1/3 2 year) to lessen the effects of new oak.

100% Chardonnay

SAINT-AUBIN 1ER CRU 'EN REMILLY'

This big and powerful wine is founded on a tightly knit structure, rich, deep honey fruits with nut overtones and a stunning citrus balance. The St. Aubin En Remilly is wonderfully complete. Beams of vibrant minerality and acidity provide support for layers of open, resonant fruit. The En Remilly is utterly vivid and kaleidoscopic in the glass, with superb nuance and transparency.

100% Chardonnay

SAINT-AUBIN 1ER CRU 'CLOS DU MEIX'

The wine is a lemon gold colour, full of sprightly lemon, orange and apricot flavours, shaped by some lively acidity and a tiny touch of nutty oak amidst the fruit.

DOMAINE PARDON | BEAUJOLAIS

The passion for wine and the vine have been associated with the Pardon family since 1820, when Antoine Joseph Pardon, a wine-grower at l'Ermitage in the commune of Régnié Durette, was already producing and selling his wines in France and throughout Europe. At the beginning of the last century, in the 1900s, Louis increased sales to restaurants, hotels, and brasseries in Paris (mainly) and also in other French cities. After the First World War, in order to meet his customers' growing demands for quality wines from Burgundy and Côtes du Rhône, Louis obtained a licence as a Wine-producer / Merchant, then selected and added a number of wines to his range. This led to substantial expansion for Pardon & Fils in this period. Moreover, in the late '20s his two sons, Antoine and Louis, came to help him. In 1938 he bought up an estate with wine-making facilities and vineyards in Fleurie. Upon his death, his son Antoine took over, his brother leaving the family business for other horizons. In the early '60s, Antoine's youngest son Jean-Jacques came to join him and expanded sales of bottled wine; previously, the whole output had been sold in full, half, and quarter barrels. Then in 1991 Jean-Jacques's eldest son Jean-Marc joined the family business, to handle mainly the sales side. In 1993 it was the turn of his brother Eric, a graduate wine expert, to take charge of the technical side.

The vineyard areas and wine region have both benefited from centuries of influence from Hungarian, Bavarian and Austrian immigrants – all laying claim to have influenced the present day viticulture. LEVRIER WINES | JOANNE IRVINE BAROSSA & EDEN VALLEY

Joanne's career began from a very early age. Her father, James Irvine is known as the "Master Merlot Maker" and from the age of seven she followed him around the winery, undertaking the ritual tasting of ferments and wine blending.

Whilst studying winemaking at university Joanne worked six vintages both in the Barossa Valley and California, USA. On graduating she worked both for her father, and establishing a successful wine consulting business. Finally in 2017 her dream came true with the release of "Lévrier by Jo Irvine". Lévrier, a French word meaning greyhound, combines her love of winemaking and her love for greyhounds.

The first wine release was in October 2017 with the Lévrier Meslier Sparkling Rosé – to our knowledge the only sparkling rose Meslier in the world.

AVONDALE | JOHNATHAN GRIEVE | PAARL

The picturesque 160-hectare farm that is today known as Avondale has been under cultivation for more than 300 years. Early records show that the land was one of the first in the Paarl Valley to be allocated specifically for the production of wine grapes. Avondale is now home to the Grieve Family and 25 farm worker families. Johnathan Grieve has developed a holistic approach to wine farming known as Biologic, which combines biodynamic and organic principles with modern science, and constantly asking the question; "Would Mother Nature approve?" "Terre Est Vita" is his ethos, which means 'soil is life'. Simple methods are used, such as using a posse of ducks to eat the snails that target the vines – AKA Snail Assassins! Wasps are released to prey on the mealy bug. Chemicals and fertilizers are shunned and cover crops are grown to restore the nitrogen levels in the soil. Quirky? Yes – Great wines? Undoubtedly!

LONGBOARD | CALIFORNIA

Longboard was born from the passion of Oded Shakked, surfer first, winemaker later, who brings a unique perspective to winemaking, or rather winegrowing as he prefers to call it. Longboard believes that great tasting wines are those that are true to the people and place that grew them. Thus, they extend the notion of "terroir" to include the human aspect, not just the soils, climate and weather.

POINT BREAK RED BLEND

A deep, dense crimson colour. On the nose there are blackcurrant, blackberry and cola notes. Rich but not heavy, with a great minerality, this wine will continue improving for years in the bottle.

PETITE SIRAH

A long-term prospect for cellaring, Petite Sirah (100% Petite Sirah) is a big, mighty, masculine wine with dense purple colour and loads of blue and black fruits. This impressive wine will be singing its praises when drinking it in 10-15 years and for many years to follow.
